The Adidas Fun Run is taking place on the school football oval on the last day of this term.

This year we’re fundraising for a guy born with one leg – Brant Garvey who is aiming to make the 2016 Rio Paralympics.

Brant requires a ‘blade-style’ leg that allows him to ride a bike more efficiently - estimated at $14k. Brant will be here on the day to race & challenge our students.

Students should have received sponsorship packages which included: 1 x Sponsorship pamphlet and 1 x Parent letter/Info on Brant.

If a student did not receive please send the student/s to PE office ASAP.

Please help by sponsoring your child, encourage and challenge them. We hope to ultimately, have a fun day and some good.

The rewards for the students are shown in the Sponsorship pamphlet and are really enticing. Have a look for yourself on http://www.schoolfunrun.com.au!

Students are required to bring back their sponsorship packages and money raised by Friday, 18th October (1st week, Term 4).

The event will be run on a ‘most laps’ basis.

This years schedule is:

Zone 1: Helpers set up/prepare. Zone 2: Year 11 Fun Run
Zone 3: Year 10’s Fun Run Zone 4: Year 9’s Fun Run
Zone 5: Year 8’s Fun Run

NB: Year 12 will come out in non ATAR zones re Emma Berryman

AND.....

The day will also incorporate

Footy Colours Jumper Day
(good timing with the Dockers in the Grand Final)

Students and staff can wear their favourite footy jumper for a gold coin donation collected during Home Room from students with ANY jumper other than school uniform.

Staff will escort their runners, with their footy colours on, to the football oval and look out for challenges from Brant and also the goodies on offer.

Any issues/comments, please see Mr Moscarda ASAP, otherwise see you on Friday!
